Dear Parents/Caregivers

2014 Nationally Consistent Collection of Data on Students with a Disability

This year our school is part of the third and final year of trailing a national process on identifying those students who have a disability or who have additional learning needs. Attached to this newsletter is an information sheet for parents/caregivers.

Next week we will begin the school process of identifying those students who have a disability or who have additional earning needs. Once this identification process has been completed and prior to sending the information back to the Federal Government, an individual letter will be sent to the parents of those identified students. Parents/Caregivers will then be offered an opportunity to opt out of the collection process.

Please contact me if you wish to discuss this matter or you would like extra information.

Results of Uniform Inspection on Thursday 5 June

Generally speaking, our uniform inspection went very well and most our students were “perfect from head to toe”. Well done!! Most of our students have black shoes, though a couple of pink or red shoes were noted. Quite a number of students need to find their lost hat or be provided with a new hat. The “No hat no play (play in the shade under the COLA)” rule still applies in winter.

It was disappointing that 27 students did not have a school jacket or had lost their jacket - I recommend that parents look into this as soon as possible. Our Uniform shop has a good selection of school jackets at reasonable prices.

SPECTACULAR 2014 – CIRCUS HELP NEEDED

1. We need a broken window! Yes … you read that correctly! We need to record some video footage of a broken window to put in the movie section of this year’s Spectacular. If anyone has one lying around could you please contact the office.

2. If there are any clever parents or grandparents who are willing to help make some costumes for our Spectacular your help would be greatly appreciated! Please contact the office or see Mrs Melville. (All expenses will be paid for by the school.)

Thank you
Spectacular Committee

**Library News**

Jessi Thomson and Ben Golding have completed their PRC Challenge. Congratulations!

Stage 2 PRC Challenge is heating up. Although 4/3T was ahead in the beginning, 4/3S is taking the competition seriously and are catching up quickly. Keep reading, Stage 2.
Mrs Bonning has been very busy entering all the newly signed off books into the computer every week. She is happy to be busy because that means lots of children are reading quality literature. A big ‘Thank You’ to Mrs Bonning as this program could not run without her continued support through weekly volunteering.
